- Cohort will have up to 15 youth
- Cohort will be 12-15 weeks
- In those 12-15 weeks, Case management will be provided to the youth and their family
- We will do Activities/Fieldtrips/Lessons every Saturday from 12-4pm (Transportation and Lunch will be provided)
- We will also have guest speakers/presentations for the parents at least 2 times a month
- We will check in at school to print out grades and attendance
- At the end of the cohort, we will provide leadership opportunity for 3 youth enrolled in Re-route. They will become mentors to the youth who will be enrolled in the following cohort. (Stipend will be provided)

MISSION

Re-Route's mission is to help our Latin-X youth that are between the ages 11-17 and are starting to show academic and behavior issues, navigate through these barriers.

Our Goal is to provide guidance and support to our youth and their families in order for our youth to be able to:

- Build and maintain healthy mentor relationships
- Change negative behavior at home to positive behavior
- Change negative behavior at school to positive behavior
- Improve school performance
- Identify and strengthen a family support network
- Demonstrate positive community engagement
