## SVdP Programs

### CASE MANAGEMENT

Our Case Management team helps neighbors gain access to resources while providing services to those overcoming addiction, mental illness, unemployment, homelessness, and returning to lives of self-sufficiency.

### HELPLINE

Our Helpline serves as the “front door” for people who are in need of assistance. Many of the requests we receive are from neighbors who are in desperate need of housing solutions.

### PERSON-TO-PERSON VISITS

Our Vincentians in 48 neighborhood-based parish teams, make over 16,000 person-to-person visits annually, assisting families and individuals with rent, utilities, food & other basic needs.

### GEORGETOWN FOOD BANK

The Georgetown Foodbank and Community Center serves neighbors by providing food, free clothing, health checkups, resource assistance, and a community connector program that serves neighbors with outside resources.

### CENTRO RENDU

The Centro Rendu program provides Latino and Hispanic families with education, case management, legal services, leadership development and civic engagement opportunities.
